

MISSION

Northern Lights Wildlife Wolf Centre promotes wolf and bear conservation throughout the natural environment. We value the role these carnivores play in nature. We strive to provide a one-of-a-kind, quality experience to the public as we support conservation through education.

"I think it is great for people who don't know much about wolves and it should keep happening."
- Murriel Martin Elementary
Saint Albert, Alberta

SPONSOR A WOLF

Ask us how to become a pack member!

Bring a wolf to your school!

If for any reason you are unable to accommodate a wolf, we travel with a "wolf kit" that has everything from pelts, scats, skulls and loads of information about large carnivores in your area.

"I learned so much about how wolves are keystone creatures!"

- Lindsay Park School
Kimberly, B.C.

All programs are environmentally friendly!

"Thank you for coming. I feel like I should help save wolves."
- Nellie McClung School
Calgary, Alberta

Hands-on, interactive FUN!

These general programs can be adapted to different age groups. Interactive and educational activities accompany every program for a sensational learning experience!

Each program pulls key topics from the Life Sciences Curriculum (BC and Alberta), with a special focus on wolves.

Safety guidelines and follow-up activities are included

All programs offer:

 Wolf Ecology

 Wolf Adaptations

 Wolf / Coyote Comparison

 Predator/Prey Dynamics

 Bears, Plants, and Wetlands

In class - A small group of students

Gym style - up to 100 students

Or bring your class to the Wolf Centre for a full pack experience

\$200

PER PRESENTATION
"Wolf travel is extra"

A minimum of two presentations a school
(You can buddy up with other schools to bring the cost down)

(Travel expenses apply (65 cents per Kilometer round trip)
and can be shared between several schools in
the same district for same day presentations.)

The Wolf Centre is open 365 days per year!
