

Sponsor a Wolf

What is "Sponsor a Wolf"?

It is a once a year donation to the Wolf Centre. There are various levels of sponsorship at different costs. With each sponsorship you will receive an initial package, our bi-annual newsletter, and a Christmas package.

By donating to the Wolf Centre, not only are you helping in the general care of the wolves and upkeep of the centre, you are also helping us to spread awareness throughout the world on wolves and the policies that affect them.
